**Michal Eliaš?** : **Martin: The center of Slovak culture : guide to the town and its surroundings** before purchasing it in order to gage whether or not it would be worth my time, and all praised Martin: The center of Slovak culture : guide to the town and its surroundings:

A detailed cultural and historical guide to the Slovakian town, Martin, and the surrounding area. It is a small enough guide to carry easily in a purse or bag and includes a detailed map of the town and area. This book is in English.
