DK : Massachusetts 24/7 (America 24/7 State Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Massachusetts 24/7 (America 24/7 State Books):

Take a visual journey through Massachusetts! The extraordinary photographs showcased in Massachusetts 24/7 are an extension of the America 24/7 project, an unprecedented digital photography venture that harnessed the talents of more than 25,000 local photographers in all 50 states. This remarkable book showcases 609 images adding up to a panoramic view of life across this beautiful state. You ll discover heartwarming photographs that perfectly capture the spirit of Massachusetts, with images of: Red Sox and rugby scrums Newscasters and newlyweds College grads and National Guard reservists Fishermen scooping up mackerel in Chatham And much more! From Pittsfield to Provincetown, from Worcester to West Barnstable, the land and seascapes of the Bay State are as subdued as its place in American history is dramatic. The cradle of the Revolution, Massachusetts and its deeply rooted people remain

committed to America's founding ideals. The images collected in this album capture that outward dynamism and the human intimacy inside, where the heart is.
