RCC Pilotage Foundation : Mediterranean Spain Costas del Azahar Dorada Brava before purchasing it in order to gage whether or not it would be worth my time, and all praised Mediterranean Spain Costas del Azahar Dorada Brava:

This 6th edition of 'Mediterranean Spain - Costas del Azahar, Dorada and Brava' has been updated. While developments since the last edition have generally been minor, there have been changes throughout the text and plans. Many new photographs have been added. Among the updated are are Valencia, Castellon, Barcelona and more. 'Costas del Azahar, Dorada and Brava' remains the only detailed pilot for the northern part of the Spanish Mediterranean coast

running up to the border with France. It covers a varied cruising area that includes the low lying Ebro delta and the rugged Costa Brava. In between are several great cities including Barcelona, the Catalan capital, Valencia and Tarragona.

About the AuthorThe RCC Pilotage Foundation was incorporated as a company limited by guarantee in 2005 and is a registered charity. It is run by volunteer members of the RCC. The Foundation publishes pilotage information through books and a range of media accessible via its own website RCCpf.org.uk Creation of new RCC Pilotage Foundation publications and updates to existing publications are only made possible through the supply of information from around the world by generous-minded yachtsmen and women, and the dedicated work of authors and editors.
