Sunflower Books : Menorca Landscapes Series before purchasing it in order to gage whether or not it would be worth my time, and all praised Menorca Landscapes Series:

Pocket-sized and in full colour, this new edition describes car tours, walks and countryside picnics. Both the fold-out touring map and the large-scale (1:40,000) topo walking maps show the newly inaaugurated Cami de Cavalls, a walking/cycling/riding trail circling the island alongside or near the coast. Timetables for local transport. Unique free on-line update service with specific route change information. Series (50 destinations) dubbed 'the blue Bibles' by the Sunday Times.
