**Michael Brein : Michael Brein's Guide to Vienna by the U-Bahn (Michael Brein's Guides to Sightseeing By Public Transportation) (Michael Brein's Guides to Sightseeing By Public Transportation)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Michael Brein's Guide to Vienna by the U-Bahn (Michael Brein's Guides to Sightseeing By Public Transportation) (Michael Brein's Guides to Sightseeing By Public Transportation):

Michael Brein's Guide to Vienna by the U-Bahn shows travelers how to go to Vienna's top 50 visitor attractions by U-Bahn, rail, tram, and bus. The guide shows which transit to use, which lines to take, which stops to board and exit at, and, using about 30 detailed mini-area-walking maps, shows exactly how to walk from these stops right to the visitor attractions. Additional nearby points of interest are also indicated on these mini-maps. An ultra-large (very easy to read) official map of Vienna's transit system is also provided. The Vienna guide is concise, compact, and comprehensive and fits in your pocket (leave the bulky books back in the hotel room!). Michael Brein's Vienna guide is part of the world's first and only travel guide series specifically designed to show travelers how to sightsee the top 50 visitor attractions by public transportation in a variety of the world's most visited cities.#

The series includes similar guides for Amsterdam, Barcelona, Berlin, Honolulu, London, Madrid, Munich, Paris, Prague, Sydney, Washington, DC and soon other cities. Michael Brein's Guides give you the one thing all the other travel guides do not, namely, how to actually go to visitor attractions! This powerful series provides you with compact, concise and comprehensive information in a small-footprint, map-fold format that fits conveniently in your pocket. Leave the big, bulky, heavy travel books in your room and don't leave your hotel without Michael Brein's Guides. And once you've used one of Michael's Guides, you'll want the others!From the AuthorIn all my world travels, I saw the need to create an easy to use compact series of sightseeing guides that shows travelers exactly how they can go to tourist attractions using public transportation. Believe it or not, until I created my new series, this just did not exist!
