Virginia Catmur : Michel Thomas Method™ Portuguese Get Started Kit, 2-CD Program (Michel Thomas Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Michel Thomas Method™ Portuguese Get Started Kit, 2-CD Program (Michel Thomas Series):

0 of 0 people found the following review helpful. new languageBy MitchA very good product, except, i found, that i did not learn enough essential words to be able to make sentences, construct them. not being able to conjugate the most basic verbs like: to do, to make, to have, to must, to want, etc only having given 1st and second person more or less, made it difficult to communicate! also, at least the particip passee should be involved in this first introduction, to be able to say: I have been f.expl. otherwise very well done. thanks a lot

Experience the language learning method millions around the world have come to trust Unlike most language learning systems, the Michel Thomas Method enables you to naturally and intuitively develop the building blocks for language comprehension. You can pick up Portuguese quickly and easily through listening, speaking, and thinking through the language. Guided by a language instructor and native speakers, Speak Portuguese Get Started Kit takes you through an interactive lesson with two other students. In less than two hours, you will have the ability to put together words and phrases together naturally and make your own sentences.

About the Author Virginia Catmur studied Portuguese at the universities of Oxford and Lisbon. As a editor with Hodder Education in the United Kingdom, she worked in the studio with language expert Michel Thomas during the recording of his advanced courses in 2004 and was responsible for their audio editing. She has since developed courses in new languages using the Michel Thomas Method. Michel Thomas was head of the Michel Thomas Language Centers and taught languages for over fifty years, primarily in New York, Beverly Hills, and London. Over a period of twenty-five years he developed a unique and revolutionary learning system that made him the world's leading language teacher. He has taught celebrities, diplomats, dignitaries, academics, and business executives.
