. The Michelin Barcelona City Map – part of Michelin's brand-new Laminated City Map series – is ideal for visitors wanting to see the sights and navigate around the city. Points of interest drawn from Michelin Green Guides are described and highlighted on the map for easy sight-seeing. Planned routes and stops can be marked, then wiped off the laminated surface* while the map's accordion-fold pattern allows for a fast look and even faster refold. Rely on Michelin's clear mapping and street index for an enjoyable visit.
