I wish they had a version with place names in English.4 of 4 people found the following review helpful. It's large and not easy to use in a carBy Sue WilliamsonIt's large and not easy to use in a car. However it is great for overall planning when used in conjunction with the Europe 2015 A4 Spiral Atlas.1 of 1 people found the following review helpful. A must have for travel in Europe.By RemlodTravelled to Europe, landed in Barcelona and went to Spanish, French and Italian destinations. Extremely happy with the assistance from this map. Do not travel without it.

Renowned for over 100 years for their clear, accurate and easy-to-read mapping, Michelin country maps give travelers an overall picture of their route, with practical road and travel information; and city maps containing extensive street indexes orient them quickly so they can find their way to their destination.
