Michelin : Michelin Great Britain and Ireland Tourist and Motoring Atlas (Michelin Great Britain Ireland Tourist Motoring Atlas) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Michelin Great Britain and Ireland Tourist and Motoring Atlas (Michelin Great Britain Ireland Tourist Motoring Atlas):

0 of 0 people found the following review helpful. Michelin Atlas for Great Britain Ireland By Wade Howard Though we have not gone there yet, this atlas has been invaluable in this planning stage! I can only guess that it will be equally invaluable over there. I love the way it is organized, with larger overview maps in the front, and the detail maps to follow. The quick guide to maps in the very front help to quickly get to the map that is needed. Not sure we will have

GPS over there, so this will keep us on track!0 of 0 people found the following review helpful. Five StarsBy greg cookegood product6 of 7 people found the following review helpful. road tripping the British IslesBy Robert JohnsonA comprehensive and easily understandable means to navigate the byways and highways of the UK and Ireland. This is our second one, having torn apart our previous one as we have taken our trips to this part of the world. The best maps out there for us.

Michelin's Great Britain Ireland Motoring Atlas organizes maps by geographic region - not alphabet - so the region is divided into a logical sequence of squares. Each of those squares is an easy-to-use map that makes fast, accurate travel as simple as turning a page. Now you can trace your route from one map to the next, without all the flipping and frustration. The Michelin Road Atlas is designed for the way you drive!
