Traveling\_GoddessIt is a good guide. The issue I have with it is that it needs to provide more information on the areas.  
Too generic. Does not allow you orient your self. In addition to this, I also used Rick Steve's guide. Problem with Rick  
Steve's guide is that it provides very little information on driving tours...2 of 2 people found the following review

From Viennese coffee houses to the natural playground of Bregenzerwald, the newly updated Green Guide Austria helps you plan your discovery of this diverse country. Go winter skiing at pretty Lech or summer hiking in the Austrian Tyrol. Try a spa experience at Bad Ischl and shop at the colorful stalls of Innsbruck's Christkindlmärkte. This guide, with its illustrations, maps, color photos and in-depth information, provides recommendations for great places to eat and stay and ensures you make the most of your trip.
