From Brand: Michelin Travel Pubns : Michelin Green Guide: Chateaux De LA Loire/317 (Green tourist guides) (French Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Michelin Green Guide: Chateaux De LA Loire/317 (Green tourist guides) (French Edition):

1 of 1 people found the following review helpful. You will prefer ordering the 2000 edition of the same bookBy www.delalonde.comBecause France does not change that much, Michelin Green Guides (1995 edition) did not change either. They still keep this handy pocket format that all other publishers copied. They still are very shy with pictures. They don't tell you everything you would expect from a french guide-book. Still, they tell you what is most important. You cannot make any mistake if you follow their advice. So bring this guide-book with you ... and buy the Knopf or Eyewitness guide to get a more detailed view of our nice region. If you want to get advice from famous Michelin staff about restaurants and places to stay, buy the 2000 edition of this book. If you are interested in more than just castles, read the "Wine and food guide to the Loire" from Jacqueline Friedrich and bring back home some bottles of Champigny wine.
