Michelin : Michelin Green Guide Poland (Green Guide/Michelin) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Michelin Green Guide Poland (Green Guide/Michelin):

The long-standing Michelin Travel Guides are an ideal travel companion for travelers who really want to connect with the world. Get to know the local way of life through detailed background information on the country, people, and culture. Quickly identify the best places to visit using Michelin's star rating system. The best sites are highlighted on the sites map or you can follow a pre-planned driving tour. With the Michelin Travel Guide to Poland, breathe in the fragrance of magnolia blossoms at Kornik Castle or traverse the shifting dunes of the Polish Sahara at Slowinsky National Park. While the Rynek in Krakow appears untouched by time, Auschwitz and the Warsaw Institute of Jewish history remind of the horrors of WWII.
