**Michelin Travel Lifestyle : Michelin Green Guide Portugal Madeira (Green Guide/Michelin)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Michelin Green Guide Portugal Madeira (Green Guide/Michelin):

Very pleased with this guideBy Em DemThis pocket-sized guide is perfect for Portugal: it highlights the "must-sees" but also has great tips on lesser known attractions and delicious, non-touristy restaurants. We took the Michelin guide's recommendations for many restaurants and found the descriptions to be spot-on.0 of 0 people found the following review helpful. ExcellentBy ChipsThis is an excellent guide, but the one I purchased is now out of date. I really like the free Michelin guides better than any other guides I've tried.0 of 1 people found the following review helpful. Nice bookBy Miloslav HettesGreen Guide Michelin is my favourite. Other possibility is Lonely Planet or Rough Guides for me. I have had older version of Green Guide Michelin Portugal before.

Immerse yourself in the country's rich history, enjoy outdoor adventures from diving in the Algave to sea kayaking in Madeira, tour a cathedral in Lisbon, sip a port in the Douro valley, or take a jeep tour to the Paleolithic rock art in Penascosa.
