**Michelin : Michelin Green Guide Scotland** before purchasing it in order to gage whether or not it would be worth my time, and all praised Michelin Green Guide Scotland:

3 of 3 people found the following review helpful. Its genius is finding at least one wonderful thing in every town that you would have missed ...By Catherine KeeganThe Green Guide series is one of our "must have" books whenever we travel overseas. Its genius is finding at least one wonderful thing in every town that you would have missed without these books.0 of 0 people found the following review helpful. Five StarsBy GadflyMichelin guides are THE BEST0 of 0 people found the following review helpful. Excellent guideBy GKUp to green guide standards

The essence of Scotland, a compelling mix of traditional and modern, is captured in the newly updated Green Guide Scotland, from the Highlands' heathered hills to Edinburgh and Glasgow's vibrant urban scene, to the Border area's picturesque landscapes. Discover lochs and mountains, bagpipes and tartans, whisky, adventure sports, and Michelin-starred restaurants. Through its star-rating system, driving tours, recommendations of great places to stay and eat, colorful maps and suggested activities, this guide helps you discover all Scotland's treasures.
