**Michelin : Michelin Green Guide Spain (Green Guide/Michelin)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Michelin Green Guide Spain (Green Guide/Michelin):

The updated Green Guide Spain, sporting a fresh look on its inside pages, reveals a land renowned for its geographical diversity, heritage and culture, where dynamic cities packed with world-class museums, superb dining and fantastic shopping mix effortlessly with beaches and mountains. Visit a Rioja winery, admire Barcelona's Modernist architecture, or island-hop across the Canaries. Michelin's celebrated star-rating system, walking and driving tours, detailed maps, and suggested restaurants and hotels allow travelers to plan their own travel adventure.
