World TravelerBy A CustomerI have traveled to 15 countries that Michelin Green Guides cover, have used Michelin guides in every instance, and they are consistently the best publication on the market. Dead on and very savvy, they fit in your back pocket and have been a wonderful companion to me over the years. The Scotland guide is no exception. Scotland is one of the most beautiful countries on the planet, and well worthy of a visit.4 of 4 people found the following review helpful. Great guide.By N.
