Michelin : MICHELIN Guide Espana Portugal 2013 (Michelin Guide/Michelin) (Spanish and Portuguese Edition)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised MICHELIN Guide Espana Portugal 2013 (Michelin Guide/Michelin) (Spanish and Portuguese Edition):

0 of 0 people found the following review helpful. Would not travel without itBy WagnerWe go to Europe every year and depending upon where we travel, we buy Michelin guides for the area. They are right on the dot on their assessment of the hotels and restaurants in a short, concise way.1 of 1 people found the following review helpful.

Michelin Red Guide Spain and PortugalBy Gary B. BlumenshineThe Red Guide for Spain and Portugal remains a useful companion in the Peninsula. The hotels and restaurants are reviewed with care and the descriptions assist the traveler with selections. The brief comments are very compact and the maps are useful for cities. One can depend on Michelin without reservation but it does tend to list the more expensive market for tourists.0 of 0 people found the following review helpful. The consummate guide for lodging and diningBy ChasLAfter years on the road in Europe, nothing compares to the Michelin Red Guides. There is nothing here more than recommendations about lodging and dining. I can go elsewhere for history, but even when traveling on a budget, these guides serve me well.

MICHELIN Guide Spain Portugal 2013 helps travelers find great places to eat and stay, with rigorously researched recommendations to more than 2,200 hotels, around 300 country guest houses and 1,700 restaurants, as well as 100+ Spanish tapas bars. Updated annually, the guide appeals to all tastes and budgets. Anonymous, experienced inspectors carefully select restaurants, using the celebrated Michelin food star-rating system. Travelers can rely on Michelin since only the best make the cut. While the guide's minimal text is in Spanish and Portuguese, a comprehensive introduction in English explains easily recognizable, time-tested symbols for establishments' facilities and services.
