**Michelin : MICHELIN Guide Italy (Italia) 2016: Hotels Restaurants (Michelin Guide/Michelin) (Italian Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised MICHELIN Guide Italy (Italia) 2016: Hotels Restaurants (Michelin Guide/Michelin) (Italian Edition):

0 of 0 people found the following review helpful. Be Forewarned: It's in Italian!!!By Alan BBe Forewarned: It's in Italian!!! Yes, you can decipher it via the stars and icons, but it was just not that useful.We also did some spot checks on cities, and the net-net is that there were not enough restaurants listed in the smaller cities to be useful.0 of 0 people found the following review helpful. The most convenient resourceBy Chicago II avid readerThe Michelin Guides are still my go-to when looking for a hotel. First off, there are inspectors. I trust their experience in recommendations. Secondly, having the map of the city is a huge help in finding a hotel that fits with my touring plans. And, lastly, the maps in the book are great if one is doing a day trip to a site, city, e.g. because one can get one's bearings. Tourist offices are not always easy to find when coming into a new place.0 of 0 people found the following review helpful. Still very goodBy BuyerStill an essential reference, but not as great as the Michelin of old. Fewer hotels listed, and the cities no longer show the major attractions with stars. We buy the green guide too, but it was easier in the old guide.

The MICHELIN Guide Italy 2016 presents meticulously researched recommendations to some 2,700 restaurants, ranging from sophisticated to casual, and to 3,800 hotels, including 400 country guesthouses. Updated annually, the guide appeals to all tastes and budgets. Anonymous, experienced inspectors carefully select restaurants, using the celebrated Michelin food star-rating system. Also included is information on Italian wines and cuisine, as well as detailed maps. Travelers can rely on Michelin to find great places to eat and stay since all establishments in the guide are recommended.
