Assigned ratings are accurate representations of properties and restaurants. Over the years they have proven themselves to be worth every penny. I do not travel without them. Just a reminder, these are not guide books, they explain where you can stay and eat, that's it. 0 of 0 people found the following review helpful. Italian not ITALY By LECLERCQ Description says Italy but the book is Italian Everything is in unreadable Italian Do not buy , porto cervo sardaigna not in book 0 of 0 people found the following review helpful. Language is challenging, sorry By G. McKee Can be difficult to use for a non-Italian speaker.

With meticulously researched recommendations to 2,650 restaurants and to 3,600 hotels, the MICHELIN Guide Italy 2017 presents travelers a choice of restaurants and hotels from sophisticated to casual. Updated annually, the guide appeals to all tastes and budgets. Anonymous, experienced inspectors use the celebrated Michelin food star-rating system to select restaurants. Also included is information on Italian wines and regional specialties, as well as detailed maps. Travelers can rely on Michelin since all establishments in the guide are recommended.
