Recognized for more than a century for clarity, accuracy and detail even the military has relied on Michelin maps and guides. Michelin offers over 200 selections for cities, regions and countries in North America, Europe, Africa and Asia. In-house cartographers, or mapmakers, produce each map and atlas and leave no stone unturned. Everything from major roads to the tiniest routes is depicted on Michelin's maps to allow travelers to go off the beaten path with confidence. What makes Michelin maps and atlases stand out?
