Perfect for weekend getaways, each In Your Pocket guidebook is divided into four sections. The Background sets the stage with information on region's history, culture and geography. The Exploring section details "must see" sights,

classified according to Michelin's renowned star-rating system. A helpful calendar of holidays, shopping, entertainment, and nightlife suggestions as well as important hotel and restaurant information is described in *Enjoying Your Visit*. The A-Z Factfinder is a reference section, packed with useful information on what travelers need to know when visiting a destination.
