0 of 0 people found the following review helpful. good, not great.By Marc Haefeuseful, succinct guide to Naples and the nearby coast. Good info on the major museums and some of the lesser ones. Nice guide to street scenes, transport, even food. But I suspect how up to date the information is when the guide advises you to tip 200 lire in the restrooms--the lire not having been in use for 12 years.But it does fit in your pocket.2 of 2 people found the following review helpful.
