Michelin Travel Publications : Michelin In Your Pocket St. Petersburg, 1e (In Your Pocket) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Michelin In Your Pocket St. Petersburg, 1e (In Your Pocket):

0 of 0 people found the following review helpful. Good purse size, overview By lady Kay As I expected, it gives descriptions, photos, etc of the main city sights of interest to tourists. Size is small enough to fit in a purse.

Perfect for weekend getaways, each In Your Pocket guidebook is divided into four sections. The Background sets the stage with information on region's history, culture and geography. The Exploring section details "must see" sights, classified according to Michelin's renowned star-rating system. A helpful calendar of holidays, shopping, entertainment, and nightlife suggestions as well as important hotel and restaurant information is described in Enjoying Your Visit. The A-Z Factfinder is a reference section, packed with useful information on what travelers need to know when visiting a destination.
