On a tour, having a good, clear map makes it an easy matter to keep track of what's where as your bus lumbers along lovely but narrow byways and hangs on by its fingernails as we drive along coastal cliffs. And afterwards, a detailed, marked map makes captioning one's gobs of pictures a very easy matter. 1 of 1 people found the following review helpful. Great quality as expected By Martin Huge map. Hung on the wall and highlighted routes and wrote notes on our upcoming trip. Also highlighted towns where our ancestors are from so we could organize trips to cemeteries. Great quality as expected. Used on the road everyday which was great so the girls could learn some map skills since we didn't have GPS or wifi for our iPhones! 8 of 8 people found the following review helpful. up to date map By Michael L. Hannathis is just what I was looking for. a up to date road map of Ireland. the best I have found

Renowned for over 100 years for their clear, accurate and easy-to-read mapping, Michelin country maps give travelers an overall picture of their route, with practical road and travel information; and city maps containing extensive street indexes orient them quickly so they can find their way to their destination.
