It is however not a 'unfold' in the car type of map as it is probably bigger than most cars on the road in Italy. :-).2 of 2 people found the following review helpful. calabria mapBy joeli have searched every where and i finally decided to purchase the michelin map to calabria since it was

highly recommended by other users. when i received it i could see why as it was the best i have seen.0 of 0 people found the following review helpful. Very Detailed.By Jamie BeckI want more for my family. Maps this detailed are hard to find. I love Calabria and want to visit it as soon as possible.

Michelin local maps provide detailed coverage of Italy, perfect for fully exploring the country.
