Conro The map covers a very small portion of london - not including Wesminster Abbey, Buckingham Palace, The Parliament Building and most of the major London attractions! 0 of 0 people found the following review helpful. seems like it has all of the small streets that will ... By privacy seems like it has all of the small streets that will be needed. have used this company's map before and it worked. 0 of 0 people found the following review helpful. Great map By Diego M. Macias Woitrin This is an extremely detailed street map of London City. It is clever and easy to use, for which I am very thankful. It does not cover East London, except for a few glimpses of the Docklands and Greenwich. Otherwise, it is definitely the best street map of the City of London.

London street map includes a booklet and folded map in one single product. The booklet contains a complete street plan and index showing main through-routes, one-way streets, car parks, public buildings and post offices. Its wide geographic coverage covers all London neighborhoods, including the inner ring. Legend with symbols and abbreviations in 6 languages. London Underground and rail network map. Separate index. Useful telephone numbers. Map of Docklands and Greenwich expo center areas. Scale 1:8,000 8 in = 1 mi.
