Index of cities and towns is good. Map is easy to read (but you need space to spread it out. And sidebar maps of principal cities help you navigate around them.0 of 0 people found the following review helpful. Astounded by serviceBy LozoI ordered this map on a Thursday afternoon expecting to receive it where I live just outside Boston sometime the next week, but was astounded to find it in my mailbox the on Saturday, just 2 days later. I tend to favor Michelin maps, but in this case it was the service that counted.5 of 5 people found the following review helpful. WonderfulBy jadvigaThe map is very useful since it allows one to view the entire country at one time to determine the feasibility of travel to various parts of Poland.
