Michelin : Michelin Map Spain North East: Aragón, Cataluna 574 (Maps/Regional (Michelin)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Michelin Map Spain North

East: Aragon, Cataluna 574 (Maps/Regional (Michelin)):

3 of 3 people found the following review helpful. Good regional map
By Velho
Like all of the M maps, this one was very good. Ideal for traveling back roads and never getting lost. I rarely buy country maps anymore, I use the regional maps when I'm only traveling in specific regions of a European country.

Michelin regional maps each contain practical road and route information. Special Michelin reads-like-a-book format for easy use in folding and unfolding. Useful information for planning trips, including gas stations, 24-hour service stations, toll gates, rest areas and service plazas. Clear, precise cartography. Icons pinpoint important travel information.
