I was thinking of a tradicional Green Guide with some detailed información to visit the museums mostly on the major paintings.Only after it arrived I understood that it is a weekend visit guide , for this purpose you can have a guide for free in internet,0 of 0 people found the following review helpful. Michelin Must Sees AmsterdamBy CynthiaWe have always liked the Michelin Guides, and this one is excellent. No paid-for suggestions, just the best reviews of sights and restaurants.

Must Sees Amsterdam, a new international title joining the Must Sees series, highlights the best of this timeless city for a 24-hour visit, a weekend or longer. Tour picturesque canals; rent a bike; admire the Rijksmuseum s Dutch Masters; explore Dutch countryside for iconic windmills, tulip fields, and Alkmaar s cheese market. Stay in boutique hotels or a houseboat on a canal. Enjoy a simple meal at a cozy brown café or a multi-course dinner at a Michelin-starred restaurant. Do it all with Michelin Must Sees!
