www.delalonde.com Pays de la Loire is the name given by the French administration to a region made of southern
Brittany, southern Perche, eastern Anjou, northern Poitou. If you plan to visit Chambord, Chenonceaux, and the
Touraine Loire Valley chateaux, this map will be of no use. If you want to discover Western Loire Valley + the
regions mentioned above, then buy this map, come and visit us at Nantes, capital of Pays de la Loire. This map is one
of the best maps dedicated to our region.

An annually updated road map of the Pays de Loire, covering the main and secondary road networks across the region.
