(Maps/Regional (Michelin)):

0 of 0 people found the following review helpful. Good maps but they are on really weak paper which ...By JCKGood maps but they are on really weak paper which breaks after a few uses. They need to go to plastic like most other map makers have done.

Michelin regional maps each contain practical road and route information. Special Michelin reads-like-a-book format for easy use in folding and unfolding. Useful information for planning trips, including gas stations, 24-hour service stations, toll gates, rest areas and service plazas. Clear, precise cartography. Icons pinpoint important travel information.
