Michelin : Michelin THE GREEN GUIDE French Alps, 1e (THE GREEN GUIDE) before purchasing it in order to gage whether or not it would be worth my time, and all praised Michelin THE GREEN GUIDE French Alps, 1e (THE GREEN GUIDE):

This title in the acclaimed Michelin Green Guide series covers a vast mountainous region extending from Lake Geneva south to the Grand Canyon du Verdon, close to the Mediterranean. It is an area of wild natural beauty and striking contrasts from the snow-capped peaks, glaciers, forested slopes, rich mountain pastures and lakes of Savoie and Dauphine to the sunny valleys of Brianconnais and Queyras and the arid landscapes of Haute Provence dotted with picturesque hilltop villages and bathed in the unique Mediterranean light.
