It's a little out of date (2000) but I knew that before ordering. Still it's got a lot of detail that Michelin's England guide lacks (not surprisingly). I do like the way Michelin rates sights (although they are far more impressed with natural "wonders" than I am, as we have tons of those in California). This book appears to avoid a maddening trait of other Michelin green guides – being unable to find a map-listed sight in the index. In all, a good reference – just wishing an updated version existed, but was unable to find. 0 of 0 people found the following review helpful. Just finished a 10 day garden tour in Devon and ... By paul w anderson Just finished a 10 day garden tour in Devon and Cornwall and found information in the guide very helpful. 0 of 0 people found the following review helpful. the most thorough intelligent guide to all these places By R. M. Pauly the most thorough intelligent guide to all these places. could use more maps of areas, but good coverage of individual towns.

The miles of coastline, combined with long hours of sunshine, are ideal for family holidays. Cream teas and fish suppers tempt the appetite. Enjoy the wild beauty of the moors, admire the elegance of 18C architecture and discover the maritime heritage of major ports and fishing villages. THE GREEN GUIDE, the perfect travel companion: a discerning and up-to-date source of information. Practical and comprehensive, it offers suggestions on what to see and what to do, background on history and cultural heritage. Ideal guides for the independent tourist, THE GREEN GUIDE explores destinations both near and far. Sights are rated - 3 stars "worth a journey", 2 stars "worth a detour" and 1 star "interesting". Maps and itineraries make planning easy, whether visiting the highlights or venturing off the beaten track. Travel with THE GREEN GUIDE for an exciting and memorable experience.
