**Michelin Travel Publications : Michelin THE RED GUIDE Espana-Portugal 2000 (THE RED GUIDE)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Michelin THE RED GUIDE

Espana-Portugal 2000 (THE RED GUIDE):

10 of 11 people found the following review helpful. Michelin Espana 2000 By The Belgo This compilation of hotels and restaurants is very useful and easy to use because of its use of accompanying maps, intuitive symbols for amenities, and inclusion of prices. My main criticism is that, in this age of international travel and the internet, the book should include any available e-mail addresses and websites.

Armed with THE RED GUIDE, globetrotters can have the latest information on fine dining establishments worthy of Michelin's renowned stars and selections of "Bib Gourmand" restaurants indicating good food at reasonable prices. A proven source for a century, THE RED GUIDE also assists travelers in selecting accommodations that meet their criteria in service and style, enhanced with city plans, local maps and practical tourist information.
