By DavidNow this is a map. Great for planning a trip in detail. Not the kind you want fully expanded in the car as it is big.

good map for getting to the surrounding areas.
By Dawn MacLarenThe information is well laid out but I gave it a 3 only because i was really looking for something laminated and a better street view for the section reflecting the city of Lyon. However, this map will be a great help when we explore the areas surrounding Lyon via our car.
