AA Publishing : Midlands Central England Road Map (AA Road Map Britain) before purchasing it in order to gage whether or not it would be worth my time, and all praised Midlands Central England Road Map (AA Road Map Britain):

0 of 0 people found the following review helpful. Extremely useful and necessary - despite having a GPSBy K. JacobiA large map but very useful as we drove through England a few weeks ago. I'm the driver and my husband is the navigator. Despite a GPS, the map proved extremely useful for giving us the big picture of where we were at any given moment. It also helped us when the GPS didn't. For example, the GPS directed us to exit the main motorway because of traffic. However, the map showed we'd be traversing through several small villages and our experience taught us that those narrow lanes and byways would actually hinder us. So we stayed on the motorway and everything was fine. The GPS saved us many times but we would not take a trip like this without a really good map.0 of 0 people found the following review helpful. Five StarsBy Val M.Perfect for my needs and arrived in a timely fashion.

Fully updated, this map combines clear design and an easy-to-read scale with more road detail to ensure that you never lose your way. Each map includes information on toll points, service areas, road numbers, motorways, dual carriageways, and wide and narrow local roads. National Parks and places of interest are also highlighted. It has a 1:200,000 scale (one cm to two km), mileage chart, information on the London M25 orbital motorway, and an index of 4,500 place names.

About the AuthorAA Publishing is the UK's largest travel publisher, with an extensive range of inspiring travel guides, dependable driving books, and trusted maps and atlases.
