From Automobile Association : Milan (AA City Maps) before purchasing it in order to gage whether or not it would be worth my time, and all praised Milan (AA City Maps):

Open the cover and discover a remarkable design! The map and guide is fully cross referenced for instant, effortless navigation between popout and guide, making this the easiest guidebook you'll ever use. Well written text covers sights, shopping, entertainment, food, practical information and where to stay. With a durable stunning laminated cover, this is the perfect map and guide combination for your trip to Milan.
