Enrico Massetti : Milan and Day Trips to Lakes and Art Cities before purchasing it in order to gage whether or not it would be worth my time, and all praised Milan and Day Trips to Lakes and Art Cities:

This is a guide to Milan, for a visit lasting two, three or more days. There are extensive descriptions and photos of the attractions: museums, churches, nightlife and other attractions. There are descriptions on how to get to Milan, on

driving and parking in the city, useful info to stay there. The guide includes sections on day trips from Milan to visit Lake Como, Lake Maggiore, Portofino and the art cities of Pavia, Bergamo Alta and Vigevano. The guide is divided in sections covering single days or half days, so you can combine several sections depending on the length of your stay and your preference of what to see.
