ITM Canada : Milan (Italy) 1:12,000 Street Map (International Travel Maps) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Milan (Italy) 1:12,000 Street Map (International Travel Maps):

0 of 0 people found the following review helpful. It is a map, what can you say?By Betty LambertThis is an ordinary map, useful when needed folds away when not in use. No better or worse than any other city map.

Very detailed street plan of Milan, scale 1:12,000, includes insets with Milano's environs (1:250,000) and overview of the motorway system, including exits, and a street name index on the reverse. The map shows streets from through routes to traffic-restricted streets; pedestrian areas; railways; subway system; bus terminals; parks and green spaces; cemeteries; tourist information; parking; hospitals. Authentic Italian cartography.
