From Gestalten : Milan: LOST In City Guide (Lost in Guides, Volume 2) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Milan: LOST In City Guide (Lost in Guides, Volume 2):

Getting lost in the city is not about throwing away the map. It's about surrendering yourself to the essence of the place. The sights, smells, flavors and sounds that make it unique. The photography, the art, the creativity that provide its individual inspiration. Getting lost is diving headfirst into what makes each city its own.
