Thomas Cook Publishing : Milan Pocket Guide, 3rd (Thomas Cook Pocket Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Milan Pocket Guide, 3rd (Thomas Cook Pocket Guides):

traveler. I usually do very extensive research for a trip so I have bought some additional guide books in French and Italian on Milan. If you only plan to spend a day or two in Milan then I don't think you'll need more information than you'll find in this book. If you plan to stay in Milan to work or study then I would get some books published in Italy. Milan is the home of the publishing industry in Italy so I'm sure there are many detailed books on Milan in Italian.
