0 of 0 people found the following review helpful. convenient pocket map By Casey I like the small, compact handiness of this map. It was really helpful and had most of the parts of Milan I went to while I was there for a week. One note for people with jet lag: the two maps are the same thing. The right side is a zoom in of the left side. The two maps are not a combination of one big place. I gave only four stars because the subway part of this version is out of date. Part of a line was missing. 0 of 0 people found the following review helpful. Very handy quality map By S. Brown Perfect for traveling folds very small excellent quality and laminated, seems very thorough, detailed yet do not need a magnifying glass to read. Bought 3 of these..... Venice, Milan, Rome. 0 of 0 people found the following review helpful. Five Stars By Kamilah Chajin Very cute.
