From Maps Popout : Milan PopOut Map (PopOut Maps) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Milan PopOut Map (PopOut Maps):

0 of 0 people found the following review helpful. Just OKBy HVEBought the map for my trip to milan thinking a laminated pop out map would be helpful. I didn't think it was detailed enough to get around on the streets. I found the paper tourist maps given out by the hotel at check in to be easier to use around town.1 of 1 people found the following review helpful. Good mapBy Mimi C.Love the popout maps. Very convenient when you're discovering a new city and don't want to lug a huge map with you.1 of 1 people found the following review helpful. Five StarsBy Aldo BallariniNice and very handy Map.
