Compass Maps LTD. : Milan popoutmap before purchasing it in order to gage whether or not it would be worth my time, and all praised Milan popoutmap:

0 of 0 people found the following review helpful. Milan Pop Out Map By G. Collins The pop out was in really great condition (just as described), and came in the mail fairly quickly. It will be great for my trip to Italy. Thank you.

Milan popout®map is a portable, comprehensive, and multipart map to this world-renown Italian city. Complete with easy-to-read color maps, this pocket-size guide includes at-a-glance travel information about Milan. The PopOut maps highlight the city and its center; three smaller maps show area overviews and the city's transit system. Additional details show places of interest, historic sites, shopping, parks, and more.
