Monica Torri : Milan the Lakes (Eyewitness Travel Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Milan the Lakes (Eyewitness Travel Guides):

0 of 0 people found the following review helpful. so many other places than just MilanBy Joyce CoperRead the book and decided to skip Milan and go to Venice instead! But it did give me the desire to go to Bergamo and I loved the city.2 of 3 people found the following review helpful. Travel and InformationBy C KingI have been planning an Italian trip for this summer and have made some use of this book. While it was useful it was like using a catalogue but there was limited detail on the mundane aspects of travel. Which railway station, how are the tickets handled and more. For these details I used Rick Steves' Italy. I felt that he had actually been to the places he discussed.It is as one might expect, no one book gives you all you need for planning a trip. The proof will be in how the trip goes. It is 100% planned by "moi".PS Could the publishers of travel books please stop making them so heavy? It is good to take these books on the trip, but the weight becomes a problem.0 of 0 people found the following review helpful. Five StarsBy Jimmy CheungGreat book

The guide that shows you what other travel books only tell you! Get the most from your visit to this Italian hotspot with DK's Eyewitness Travel Guide: Milan and the Lakes. Includes tips for hotels, shops, markets, restaurants and bars, outdoor activities and entertainment and a Survival Guide with advice on everything from posting a letter to getting around by public transportation. In Milan, visit the museums at Castello Sforzesco, the church Santa Maria delle Grazie, the San Lorenzo alle Colonne, the Sant' Ambrogio, and the Museo Nazionale della Scienza e della Tecnica. More than 750 full-color photographs provide details about all the main sights with maps, photographs and detailed illustrations. Experience Lake Maggiore, Lake Como, and Lake Garda as well as some of smaller, less-visited lakes. Highlights include the Santa Caterina del Sasso Ballaro monastery on Lake Maggiore, the medieval town of Bellagio on Lake Como, and the town of Sirmione on Lake Garda.

Both novice and experienced travelers will be captivated. -- U.S. News World ReportEach book is a visual as well as informational feast about a particular place. -- The New York TimesEncyclopedic in scope, it's meant to be used before, during, and after your stay. -- Travel LeisureEyewitness Travel Guides are marvels of writing, color photography and illustration. What makes these so special is their thoroughness. -- New York Times SyndicateFor comprehensive advice that is attractively presented, publisher Dorling Kindersley's guides for serious travelers are tough to beat. -- US News World ReportHats off to DK for the Eyewitness Travel Guides...[they] raise the bar for all others. -- Dallas Morning NewsThe best travel guides ever. -- Sky MagazineThe most graphically exciting and visually pleasing series on the market. -- Chicago Tribune
