Rowland Mead : Milan Travel Pack (Globetrotter Travel Packs) before purchasing it in order to gage whether or not it would be worth my time, and all praised Milan Travel Pack (Globetrotter Travel Packs):

The handy pocket-size guide is packed with useful information, tips and recommendations, accompanied by colour photographs, charts and maps for the first-time traveller who wants to experience the major highlights that Milan and the Italian Lakes has to offer. This travel book surpasses other guides in that it incorporates essential information in an easy-to-carry and easy-to-read format that is attractive and useful at the same time. It provides a visitor with an

invaluable introduction to Milan and the Italian Lakes by concisely highlighting the area's 'must see' areas in a practical and user-friendly format, thus encouraging the tourist to make the most of his/her available time. All the essential information you need to get around an unfamiliar area is compacted into useful and practical 'At-a-Glance' sections at the end of each chapter. The fold-out map of Milan and the Italian Lakes is ideal for tourists and visitors. In addition to the main map of the Italian Lakes region, which highlights scenic routes, it features 1 detailed area map, 7 town plans and a Metro map.
