I hoped for insights into Moldovan culture, portraits of the people, glimpses into their unique struggles and hopes and dreams. What I got was a diary of homesick Samuel's social life: what kind of booze was available, what kind of dinners he managed to cook. It was much more about him than about Moldova. 0 of 0 people

I highly recommend this charming and engaging look into the intimate details of his experience to anyone who is considering such an adventure--or wishes they had when they were younger. A heartwarming testament to a close-knit family, too.1 of 2 people found the following review helpful. Moldovan insightsBy Michael ScheurichThis was a humorous and witty insight into day to day Peace Corp life and definitely emphasized the food adventures. I enjoyed all the references to other books and quotes from them as well. The author has a lot of energy. Running through barking dogs was especially funny.

Samuel Scheurich kept a weekly blog for the 30 months he was in the Peace Corps. It originally appeared at www.getjealous.com. The topics for his blog were wide ranging but included many adventures detailing the culture of his village in Moldova. This book is the print version of his blog, sans photos, but replete with Russian swear words and rabid dogs. Enjoy.

About the AuthorSamuel Scheurich is a lawyer practicing in Denver, Colorado. He spent most of his life in Arizona and has a bachelors degree in journalism. He spent 2 1/2 years in the Peace Corps which is the subject of this journal.
