The Moleskine City Notebook Lisbon is designed to be your trusty travel companion, wherever you are. The Key Map summarizes the overall city layout, showing the sequence and location of the 8 zone maps and the 2 maps of the city center enlargement. Map of the metro system and list of stations, plus the alphabetical street index of the zone maps. Blank pages for jotting down notes and recording your thoughts, stories and memories. 32 removable sheets for loose notes and exchanging messages. 12 translucent sticky sheets for tracing your routes and sharing itineraries. A 96-page tabbed archive for collecting everything that matters most and keeping it at your fingertips. The first 6 tabs are printed; the others await your personalization with the enclosed adhesive labels. Each pocket sized Moleskine City Notebook is thread bound and has a cardboard bound cover with rounded corners, acid free paper, three bookmarks, an elastic closure and an expandable inner pocket that contains the Moleskine history.
