Moleskine : Moleskine City Notebook Madrid before purchasing it in order to gage whether or not it would be worth my time, and all praised Moleskine City Notebook Madrid:

The pocket version is small enough to carry in a purse or pocket without being too heavy or too big. The map is INVALUABLE! You can note the places you have visited and write reviews of your travels. This will be a fabulous record of your travels to pass on to future generations or to even use when you return to the city on a future trip. It solves the problem of not being able to remember where you ate and what you ate. I had purchased the one for Washington DC a couple of years ago I use it each time we go back. The one for Madrid was purchased as a gift for a friend who was studying in the city for a semester. I give the New York City book as gifts for visitors from foreign countries who are visiting our family. They love the gift. 0 of 0 people found the following review helpful. Great By Harry This was wonderful. Had a great metro map and street guide. My only complaint was that the metro map was cut off but did not indicate that the line continued on. Small thing, but threw me off

The first guidebook you write yourself. The capital of Spain, Madrid is not just a place for politics. The city boasts everything from parks to skyscrapers, with museums, nightclubs and arenas including the largest bullring in the country and the Moleskine City Notebook Madrid has a place for you to record it all. The Key Map summarizes the overall city layout, showing the sequence and location of the 12 zone maps and the 4 maps of the city centre enlargement. Map of the metro system and list of stations, plus the alphabetical street index of the zone maps. Blank pages for jotting down notes and recording your thoughts, stories and memories. 32 removable sheets for loose notes and exchanging messages. 12 translucent sticky sheets for tracing your routes and sharing itineraries. A 96-page tabbed archive for collecting everything that matters most and keeping it at your fingertips. The first 6 tabs are printed; the others await your personalization with the enclosed adhesive labels. Each pocket sized Moleskine City Notebook is thread bound and has a cardboard bound cover with rounded corners, acid free paper, three bookmarks, an elastic closure and an expandable inner pocket that contains the Moleskine history.
