The first guidebook you write yourself. Milan: home to centuries of art, architecture, design and fashion. As you journey from the Duomo to the Teatro alla Scala and search for the best risotto alla Milanese, write your adventures in the Moleskine City Notebook Milan. The Key Map summarizes the overall city layout, showing the sequence and location of the 16 zone maps. Map of the metro system and list of stations, plus the alphabetical street index of the zone maps. Blank pages for jotting down notes and recording your thoughts, stories and memories. 32 removable sheets for loose notes and exchanging messages. 12 translucent sticky sheets for tracing your routes and sharing itineraries. A 96-page tabbed archive for collecting everything that matters most and keeping it at your fingertips. The first 6 tabs are printed; the others await your personalization with the enclosed adhesive labels. Each pocket sized Moleskine City Notebook is thread bound and has a cardboard bound cover with rounded corners, acid free paper, three bookmarks, an elastic closure and an expandable inner pocket that contains the Moleskine history.
